I. Announcements

- a. Clinic at the Health Department for non-insured patients is approved and in development. (Spearheaded by ML)
- b. RTS Transit Plans are updated every 5 years. The time for re-consideration of current routes is approaching.
- c. Dental- issue regarding set up of free clinic is bigger than just space. Dentists need support staff and procedure already in place before they will be more willing to volunteer their expertise.
 - i. ACORN already has a clinic set up for Dental. New Director to start 11/26/12.
 - ii. Typical cost to supply dental chair in the range of \$10k
- d. There is a clinic at Santa Fe and a program set up with UF & ACHD support that provides dental care.
- e. Invitation to all to attend "Bridging Voices" - a meeting focusing on the barriers faced by people living with HIV in North Central Florida. At this event we will be honoring Ginny Bruzzese and Jorge Herrera as the 2012 "Agents of Change." The meeting is this Friday, November 30th. (RL)

Alachua County Safety Net Providers
